RESPONSE TO OFFICE ACTION

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action mailed August 12, 2002, Applicants submit the following amendments and remarks for entry and consideration during the examination of the above-identified application.

IN THE CLAIMS

06/26/2003 KBUTLER 00000003 195127 09274015
01 FC:1202 54.00 DA

A marked up version of the revised claims, showing insertions and deletions, is included in Appendix A. Please amend the claims as follows:

- Sub #1
G1
56. (Amended) A method of forming a golf ball comprising the steps of:
forming a core comprising:
a solid center made from a first rubber based material;
a solid core outer layer made from a second rubber based material having
different physical properties from said first rubber based material;
forming an inner cover layer comprising a material having a first shore D hardness
and having an outer diameter of at least 1.58 inches;
casting an outer cover layer \ comprising a castable reactive liquid material having
a second shore D hardness less than the first shore D hardness.

Please add the following new claims:

- Sub #1
G2
73. (New) A method of forming a golf ball comprising the steps of:
forming a core comprising:
a solid center made from a first rubber based material;
